Complementary Regattas

APSMRC supports membership by sponsoring two regattas each year. The first is our own Lake Clubs Regatta and the second is yet to be named. This sponsorship means that we pay race fees and we cover the cost of transporting boats and equipment for these events.

Rowing Victoria Insurance Levy (RVIL)

The RVIL is \$100 per annum and must be paid in full upfront as to ensure each member is covered for public liability. If the applicant is already a member of RV through membership of another Victorian Rowing Club they are exempt from this fee.
